## MEET MARK, BRIDAL HAIR EDUCATOR

Mark began bridal hair styling at the young age of 15. Self-taught with a passion for sharing his tips and tricks, Mark now has a global combined social media audience of more than 700,000 followers. To learn from Mark's experience, you can book Bridal and Hair Up-Do Workshops with a hands-on class size of 6-8 students.

Alongside bridal parties and educating, Mark has been fortunate enough to style hair as a session stylist. TV credits include Strictly Come Dancing, Dancing On Ice, This Morning, The One Show and The Queen's Platinum Jubilee Concert. From photo shoots to commercials and red carpet events - Mark would love to share his knowledge with you!

## **ATTEND MY WORKSHOP:** Bridal and Hair Up-Do Workshop

**GROUP WORKSHOPS:** Mark will demo 3-4 bridal and up-do hairstyles, which you will then try during the practical portion of the class - assisted by Mark. These demos will include how to prep properly and map out your style for easier styling, whilst also keeping up on the latest bridal and up-do trends and styling products. L'image 20" real-hair mannequins are provided for students to work on (these are the same mannequins used on @MarkJohnHair Instagram tutorials) so there's no need to provide a model. Mark will also cover proper lighting techniques, with a special focus on creating social media content. Following this, you can immediately apply your new skills by taking photos and videos of your own work to promote on your social media. Throughout the workshop, Mark will share all his tips and tricks, including the correct use of hair jewellery and accessories; these are also provided for you to practice styling placement.

### **DURATION:**

5 hours: 10am - 3pm

### **PRICE:**

£285.00 per person

**To book the workshop, please send a DM on @MarkJohnhair**
